INTRODUCTION

The Manipur University, established under the Manipur University Act, 1980, came into existence on June 5, 1980. It became a Central University on October 13, 2005, under the Manipur University Act, 2005, passed by the Parliament. At present the University has 99 affiliated Colleges inclusive of 2 medical colleges. Manipur Institute of Technology (MIT) is a constituent college of the University.

The main objectives of the University are to disseminate and advance knowledge by providing instructional and research facilities, to make provisions for integrated courses in humanities, natural and physical sciences, social sciences, forestry and other allied disciplines in the educational programmes; to take appropriate measures for promoting innovations in teaching-learning process, inter-disciplinary studies and research; to educate and train manpower for the development of the country in general and North Eastern Region in particular, needed to pay special attention to the improvement of the social and economic conditions and welfare of the people of the State, and also to enhance their intellectual, academic and cultural development.

Located in the historic Canchipur, the University has a campus of 287.53 acres with scenic surroundings.

The campus is endowed with historical and cultural places like the Rasmandal, the place where the famous Ras Lila was performed during the reign of Rajarshi Bhagyachandra, and the Langthabal Konung (Palace), where King Maharaja Gambhir Singh, who liberated Manipur from the Burmese, took his last breath. Canchipur is also the birthplace of Dr Lamabam Kamal Singh, a renowned poet of Manipur.
